

management and information tools you need to do your job well! However, its our belief that, to achieve optimum results, health and safety must be a *shared responsibility*. That is why we are now making it easier and more cost-effective than ever for you to spread the word throughout your organization.

There really is no better time!

Managers, and supervisors in particular, are on the front-line of responsibility and liability if the worst occurs, and they are routinely charged -- and may be heavily fined! -- if ministry investigators find that they have not exercised the necessary due diligence.

This means that no company, manager or supervisor can afford to ignore the serious penalties associated with non-compliance.

.....
A simple, proven way for you to stay up-to-date, safeguard compliance, stimulate due diligence, reinforce best practices, promote awareness and motivate others!
.....

Fortunately, now it's easier and more cost-effective than ever for you to subscribe to **WORKPLACE ENVIRONMENT HEALTH & SAFETY REPORTER** and open the doors to greater health and safety awareness for everyone in your organization.

What our subscribers are saying about WEHSR...*

"Thank you very much for the hard work that you put into the WEHSR. I've been involved in health and safety for 20 years now and I admit that your publication is by far the best. The articles are short, to the point and the hotlinks are a key benefit that save me a great deal of time."

Denis W. Nelson, B.Sc., CRSP
Program Manager,
National Services & Research Branch, RCMP

* The above unsolicited testimonial is typical of those routinely received by WEHSR editors. We are proud of our subscribers and our ability to help them in their quest for excellence in OH&S management.
